Attention: Registered Athletes in the PacificSport Interior BC Region
From:Carolynn Boomer, Executive Director, PacificSport Interior BC

RE: Letter of Intent for Funding Support

PacificSport Interior BC is now accepting Letters of Intent for those registered athletes in good standing to apply for funding. The Letter of Intent will highlight what support is needed whether that be for training, equipment and other areas that the athlete deem necessary for their performance pathway.

With COVID-19, these are unprecedented times and PacificSport Interior BC is putting \$5,000 towards athletes who need some support. Please note not all applicants may receive funding due to the volume of athletes who apply. Normally, dollar amounts may vary from \$100 - \$200 per athlete. A larger purchase that may be needed must be supported with specific information. A few examples are as follows:

An athlete needs an indoor ergometer worth \$6,000 or;

An athlete needs to purchase a knee brace worth \$500 or;

An athlete needs compression shorts for their sport worth \$250.

The Letter of Intent needs to explain what support is needed, tell us why and provide a requested dollar amount. PacificSport Interior BC will have an adjudication committee that will make all final decisions. All applicants will receive a response providing the final decision. Deadline to apply is 4:00 pm on January 15, 2021.

If you have any questions, please contact Carolynn Boomer at cboomer@pacificsport.com or by phone 250 828-3344.

Regards,

Carolynn Boomer
Executive Director
PacificSport Interior BC
