Attention: Local Sport Organizations in the PacificSport Interior BC Region

From:Carolynn Boomer, Executive Director, PacificSport Interior BC

RE: Letter of Intent for Funding Support

PacificSport Interior BC is now accepting Letters of Intent for those local sport organizations and clubs that are located in the interior region. This area includes Golden, Revelstoke, Sicamous, Salmon Arm, Chase, Kamloops, Merritt, Lytton, Lillooet, Savona, 100 Mile House, Clearwater, Barriere, Sun Peaks, the smaller rural communities in between and the Indigenous nations in our region.

With COVID-19, these are unprecedented times and PacificSport Interior BC is providing 10 x \$2,500 grants to help local sport organizations who need some support. Please note that some local sport organizations may not receive funding due to the volume of applications and/or for the amount of funding requested.

The Letter of Intent must explain what support is needed, how the funding would be used and why it is important to have support. PacificSport Interior BC will have an adjudication committee to select the organizations who will receive the support and all decisions are final. All applicants will receive a response as to the final decision that is made by the committee. Deadline to apply is 4:00 pm on January 15, 2021.

If you have any questions, please contact Carolynn Boomer at cboomer@pacificsport.com or by phone 250 828-3344.

Regards,

Carolynn Boomer
Executive Director
PacificSport Interior BC
